**BACKGROUND AND POLICY IMPLICATIONS:**

Since 1977, Saving Grace has provided support and services to survivors of domestic violence, sexual assault, dating violence, date rape and stalking. Free and confidential sheltering, support groups, temporary restraining order assistance, therapy, counseling, a 24-hour hotline, and a supervised visitation and exchange are some of the services offered to thousands of local residences each year.

Mary's Place is Saving Grace's safe and neutral location for supervised parenting time or exchanging children without the parents seeing or hearing each other. They are located in a daycare center so it is a friendly, comfortable atmosphere for both children and parents to spend time. Mary's Place offers supervised parenting time and supervised exchanges, and prioritizes services for families where there has been domestic violence, sexual assault, child abuse, dating violence or stalking.

For the purposes of this Grant, Saving Grace will provide quarterly reporting.
