

DESCHUTES COUNTY JUSTICE REINVESTMENT PROGRAM UPDATE AND GRANT REPORT

LPSCC AUGUST 7TH, 2018

OREGON CRIMINAL JUSTICE COMMISSION GRANT

- Third Biennium of funding.
- Second year of the Biennium Three.
 - Semi Annual Program Report.
 - Annual Victim's Services Report.
 - Fourth Quarter Financial Report.
- Deschutes County JRI Program.
 - Specialized Caseload.
 - Cognitive Behavioral Treatment (MRT / Moving On).
 - Sober Housing/Transitional Housing.
 - Recovery Mentors.
 - Alcohol and Drug Treatment.

GOALS OF JRI

- Reduce Recidivism.
- Reduce Prison Utilization.
- Increase Public Safety.
- Hold Offenders Accountable.
- All focused on Drug, Property, and Driving offenders.

MAJOR ACCOMPLISHMENTS FOR OUR JRI PROGRAM

- Deschutes County Community Justice MRT program received a Highly Satisfactory Score on its first Correctional Program Checklist Assessment (CPC).
 - Only 7% of programs receive this highly satisfactory score.
- We hired a second MRT facilitator and are currently running 7 MRT groups each week. Moving On to be implemented September 1 (gender-specific).
 - 77 Offenders active in MRT as of July 1, 2018.
 - 46 Offenders successfully completed the program in the past year, and 31 of those are JRI offenders.
- Incorporation of evidence-based practices such as Carey Guides and BITS into offender supervision model.

PROGRAM CHALLENGES

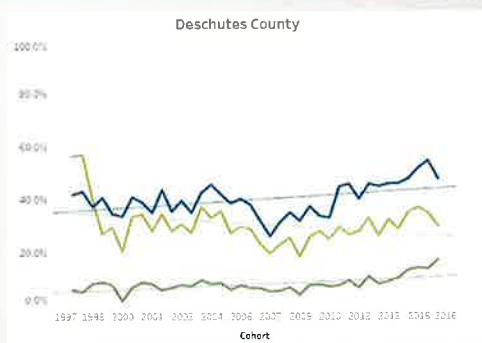

- Drug and Alcohol Treatment Provider.
 - Struggling to provide services that meet evidence-based standards. Failed third CPC in October of 2017.
 - Joint action plan with DOC, Provider, and our office.
 - Working closely together to help them pass CPC in November.
- Progress.
 - Referral Packet Process and Assessment.
 - Group Room Expansion.
 - University of Cincinnati Substance Abuse Curriculum.
 - Joint Quality Assurance.
 - Group Observations.
 - Case File Reviews.

ACCOMPLISHMENT WITH OUR COMMUNITY PARTNERS

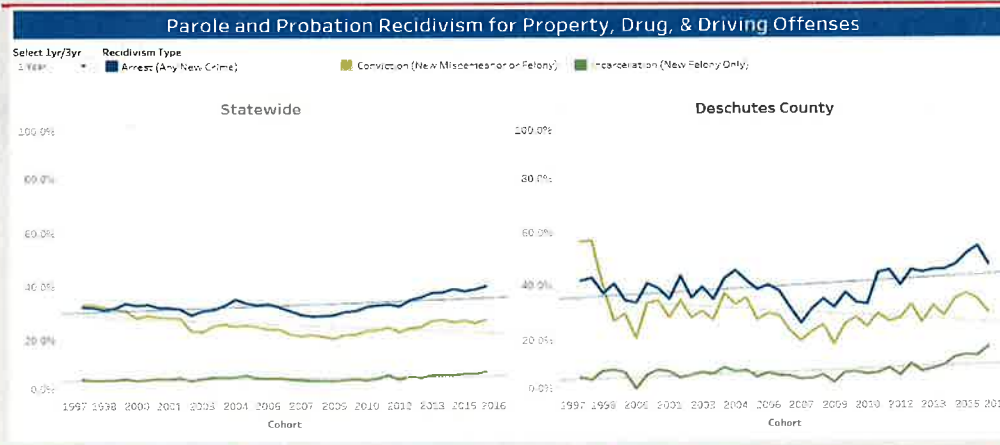

- Recovery Mentors
 - 2500 Contacts with active client in last six months.
 - 670 After Care Contacts with clients in last six months.
 - 28 Clients who had a mentor successfully completed treatment.
- Sober Housing
 - 80 Offenders received sober housing assistance, 54 of those specifically JRI.
 - 16 Offenders transitioned from sober housing into self-sufficient housing of some kind.
- Transitional Housing
 - BI Partnership
 - Three Case Managed Beds.
 - 90 Days Generally.
 - We had Seven offenders utilize our case managed beds at the Bethlehem Inn.
 - Four transitioned to more stable housing arrangements.
 - All seven secured stable employment.

RECIDIVISM NUMBERS

- Three Year recidivism rates won't be available for our JRI participants until end of 2019.
- One Year recidivism rates.
 - **Blue:** Arrest Any New Crime: **Down 7%** from last comparison.
 - **Mustard:** Conviction New Misdemeanor or Felony: **Down 2%** from last comparison.
 - **Green:** New Incarceration (New Felony): **Up 3%** from last comparison.

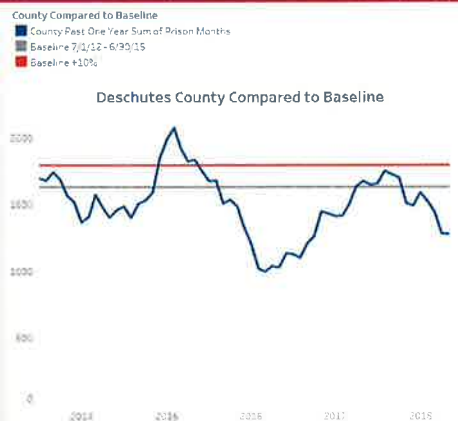

COMPARISON

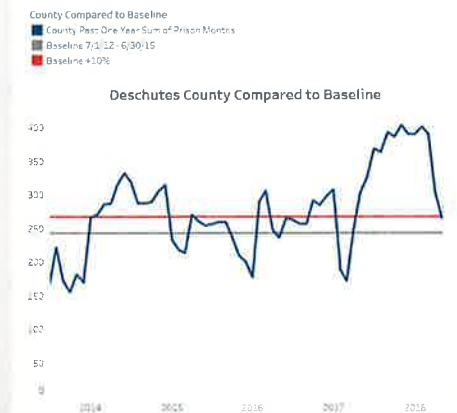

PRISON UTILIZATION - MALES

- Decrease Overall.
 - Three Year Baseline 1872.
 - May 2018 1541.
 - More than 10% below our current baseline number.
- Male Population.
 - Red: 10% Above Three Year Baseline.
 - Grey: Three Year Baseline.
 - Blue: Deschutes County Prison Utilization.

PRISON UTILIZATION - FEMALES

- Female Population.
 - Red: 10% Above Three Year Baseline.
 - Grey: Three Year Baseline.
 - Blue: Deschutes County Prison Utilization.
 - Trending downward.
- Since December of 2017 we have admitted four females to prison.
 - Three first sentence offenders.
 - Five previous arrests, previous probation.
 - Nine previous arrests and being charged for delivery of Meth.
 - 48 previous arrests, third prison sentence relating to ID theft.
 - One of the females was a probation revocation.
 - Absconded immediately after intake.
 - Multiple contact attempts.
 - Arrested for new crime.

OTHER REDUCTIONS IN PRISON UTILIZATION

- Past six months;
 - 60 Downward Departure offenders.
 - 16 Alternative Incarceration Program offenders.
 - 15 Short Term Transitional Leave offenders.
- Partnership with District Attorney.
 - 14 Safe Screens and 10 Defendant Assessment Reports.
 - Of the ten, five not sent to prison and three are still pending.

EXCITING DEVELOPMENTS FOR JRI PROGRAM

- Moving On Curriculum.
 - Program development is underway to replace MRT with Moving On for all females receiving departmental cognitive based interventions.
 - Gender specific curriculum that aims not only at reducing criminal behavior but also increasing the health and well-being of women, their families, and the community.
- Evidence-based Practices Training and Implementation Committee.
 - Motivational Interviewing, Evidence-based Case Planning, Carey Guides, BIT.

VICTIMS SERVICES AGENCIES
