

BEND'S TRANSPORTATION PLAN UPDATE

BEND CITY COUNCIL/DESCHUTES COUNTY COMMISSION

AUGUST 20, 2019

WHAT IS A TRANSPORTATION PLAN?

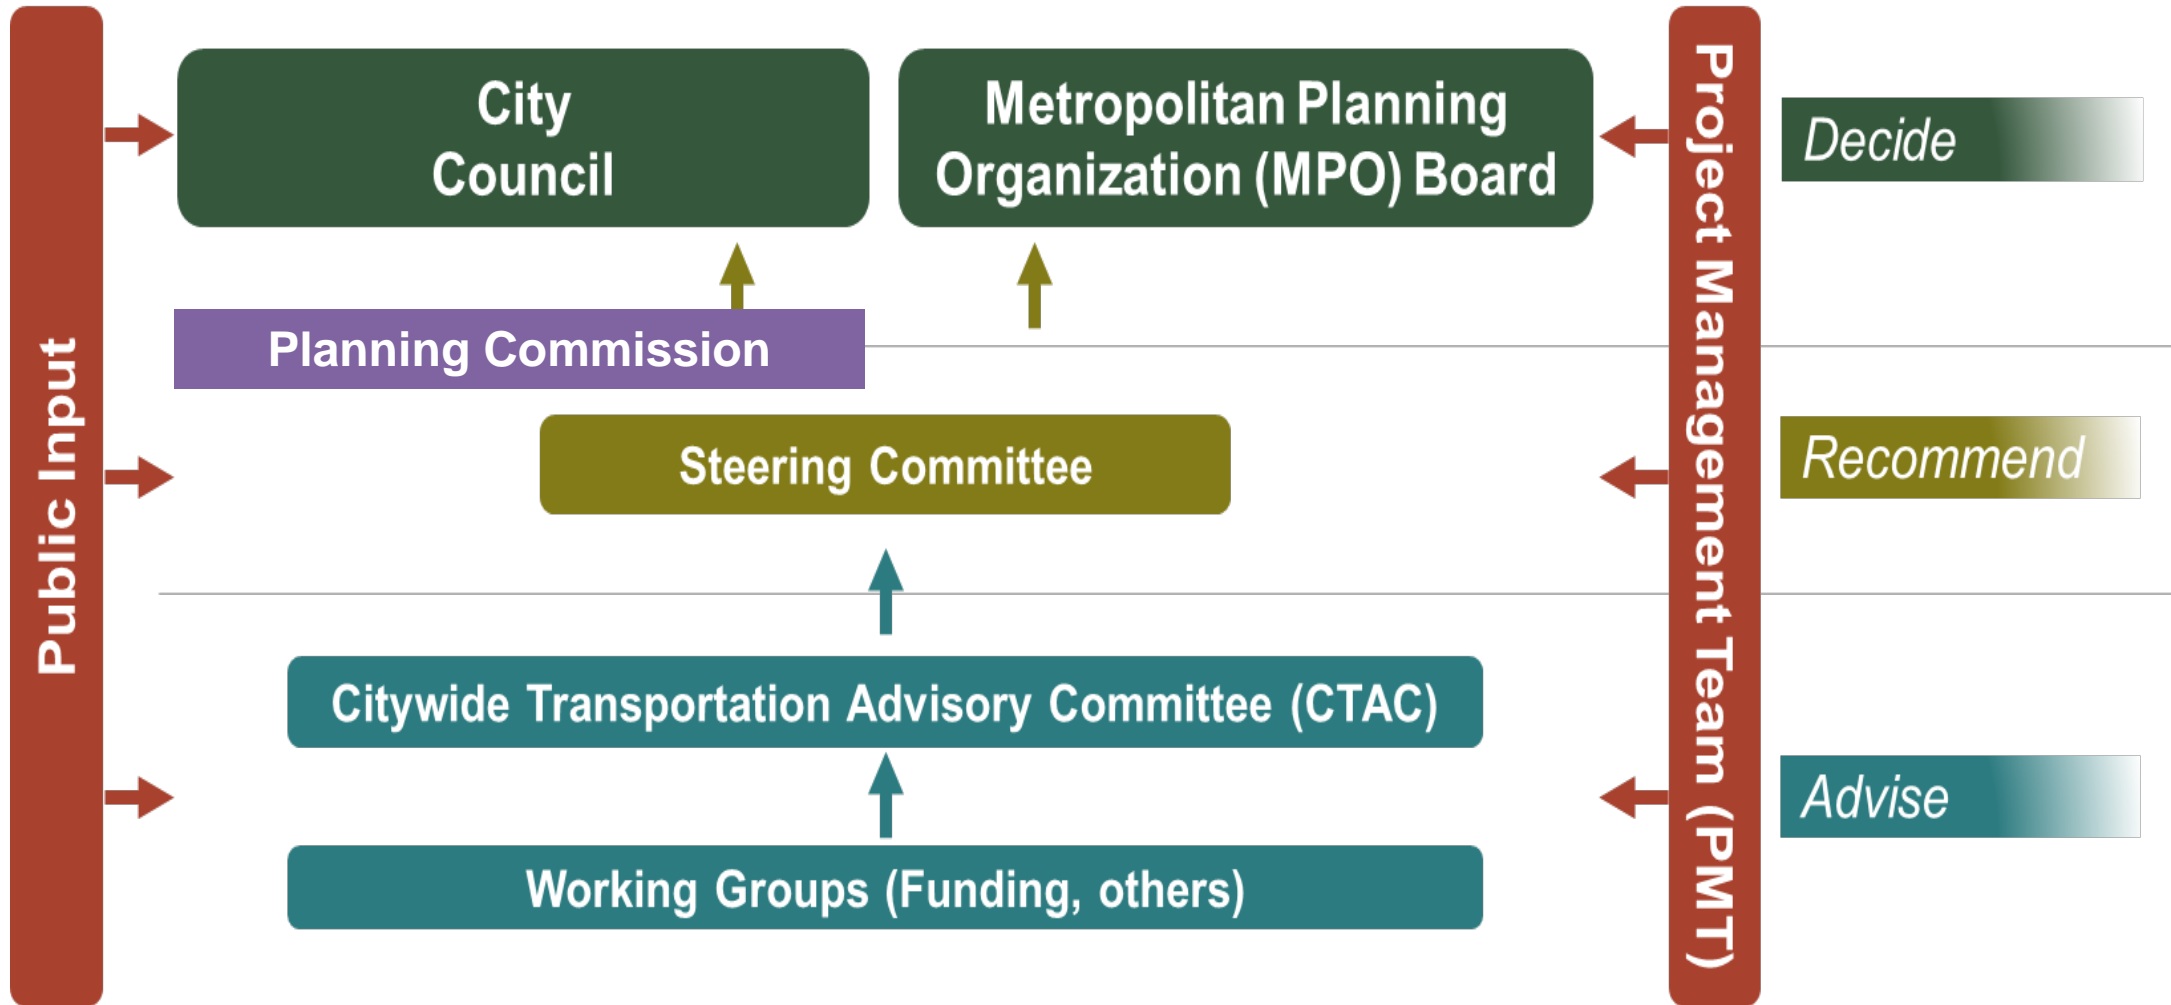

An investment and management plan for Bend's transportation system:

- ✓ What improvements are needed to manage growth to 2040?
- ✓ Which projects and programs best reflect City Goals?
- ✓ How can we balance the needs of all travel modes into an equitable, efficient, and affordable transportation system?
- ✓ How can we equitably and sustainably pay for needed improvements?

- Increase system capacity, quality, and connectivity for all users (e.g. drivers, walkers, bicyclists, transit riders, mobility device)
- Ensure safety for all users
- Facilitate housing supply, job creation, and economic development to meet demand/growth
- Protect livability and ensure equity and access
- Steward the environment
- Have a regional outlook and future focus
- Implement a comprehensive funding and implementation plan

DECISION MAKING ORGANIZATION

COORDINATION WITH OTHER PLANNING EFFORTS

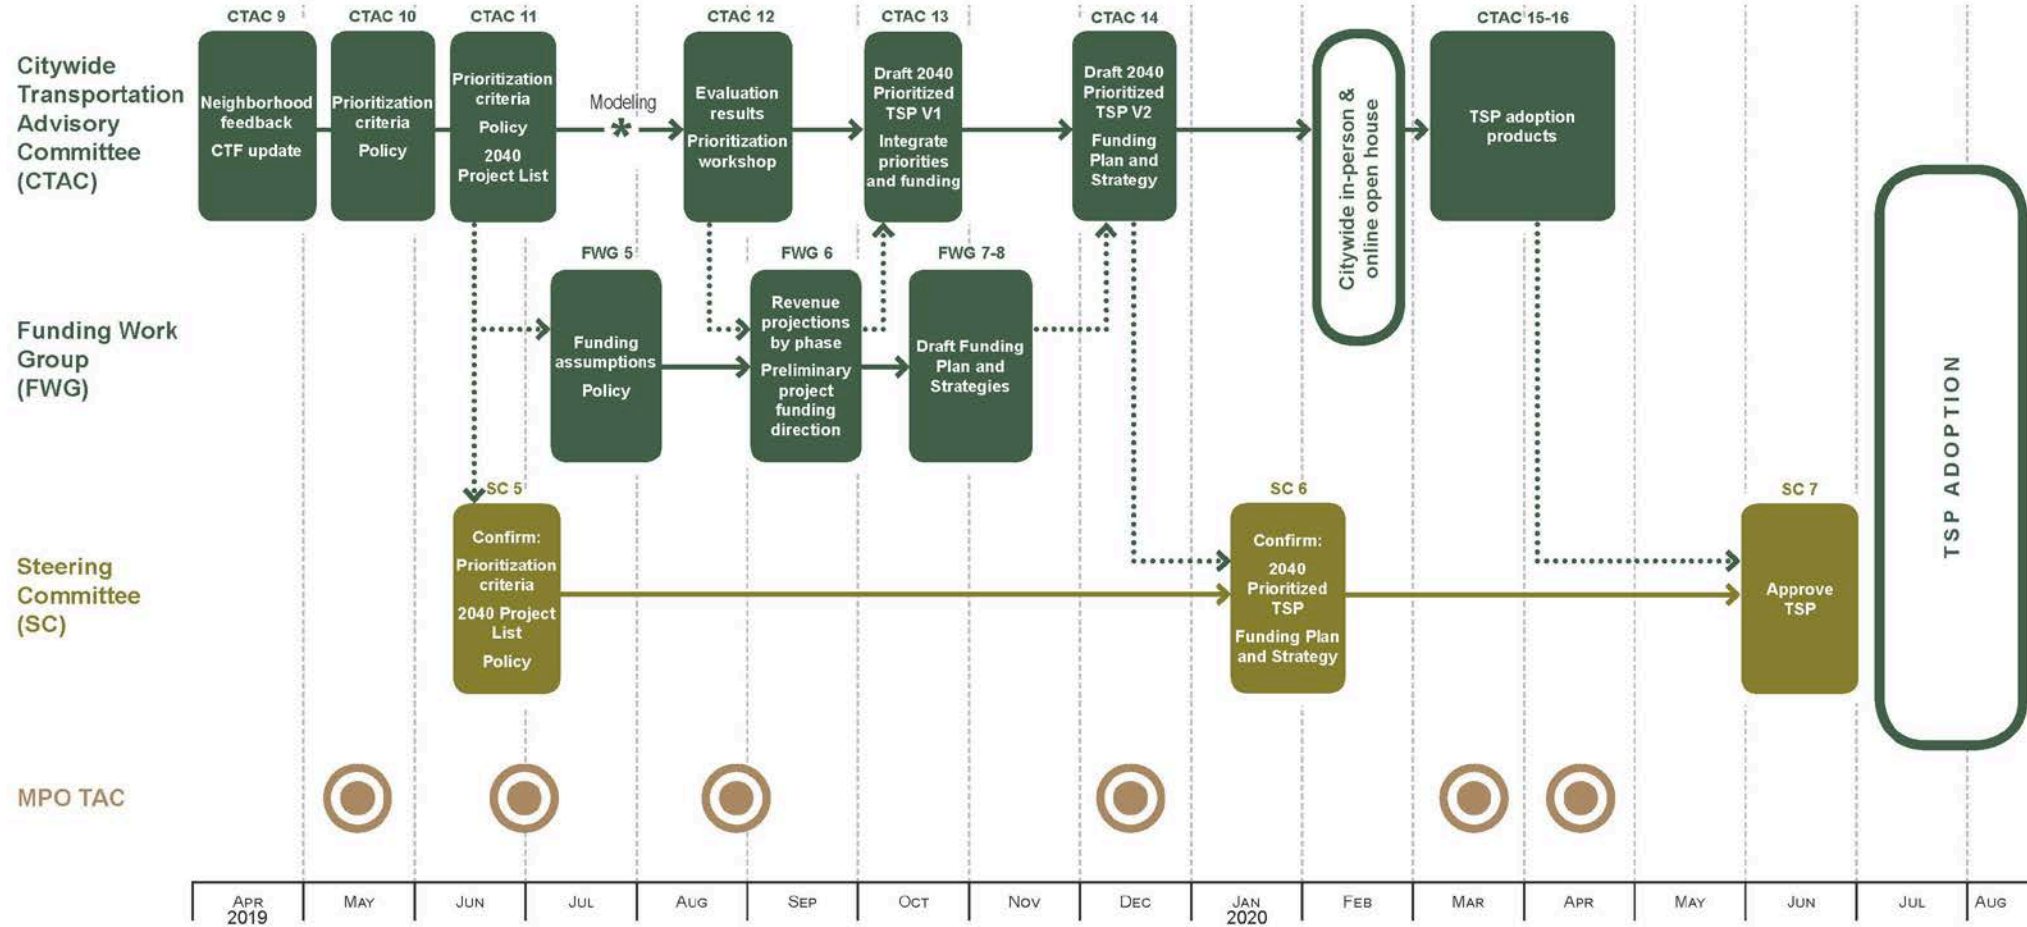

Other agencies:

- Metropolitan Planning Organization (MPO) transportation Plan update
- Cascades East Transit Regional Plan update (including a Bend-focused plan)
- Parkway Study and other ODOT projects
- Deschutes County and Bend Transportation Safety Action Plans
- Deschutes County Intelligent Transportation System Plan
