Question 20 words which plainly phrases the chief purpose of the measure.

Should the City of Redmond modify City Code to allow marijuana dispensaries in the City?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

This measure is a non-binding recommendation to City Council whether to amend City Code to allow for licensing of marijuana dispensaries within the jurisdiction of the City of Redmond.

Oregon Law allows for possession, manufacture, and sale of marijuana by/to adults, subject to state licensing, regulation, and taxation. As set out in statutes and under home rule authority, Redmond is able to regulate marijuana activities. Current Redmond City Code does not allow for business licenses to be issued to marijuana dispensaries.

If approved, the measure would advise City Council to amend the City Code to allow for licensing of marijuana dispensaries and to regulate marijuana dispensaries and other types of marijuana businesses within the City. If approved, this measure would make the City eligible to receive distributions of state and local marijuana tax revenues from marijuana retailers and marijuana related businesses.
