Section 18.04.030, Definitions.

"Lot of Record" means:

- A. A lot or parcel at least 5,000 square feet in area and at least 50 feet wide, which conformed to all zoning and subdivision or partition requirements, if any, in effect on the date the lot or parcel was created, and which was created by any of the following means:

By deed or contract, dated and signed by the parties to the transaction, containing a separate legal description of the lot or parcel, and recorded in Deschutes County if recording of the instrument was required on the date of the conveyance. If such instrument contains more than one legal description, only one lot of record shall be recognized unless the legal descriptions describe lots subject to a recorded subdivision or town plat;
 4. By a town plat filed with the Deschutes County Clerk and recorded in the Deschutes County Record of Plats; or
 5. By the subdividing or partitioning of adjacent or surrounding land, leaving a remainder lot or parcel.

B. A unit of land validated in accordance with ORS 92.176.

BC. The following shall not be deemed to be a lot of record:

2. A lot or parcel created by an intervening section or township line or right of way.
3. A lot or parcel created by an unrecorded subdivision, unless the lot or parcel was conveyed subject to DCC 18.04.030(B).
4. A parcel created by the foreclosure of a security interest.

For the purposes of DCC Title 18, "lot" or "parcel" means a lot of record as defined DCC 18.04.030.

V. REVIEW CRITERIA:

FINDING: This County initiated text amendment incorporates provisions of State law, ORS 92.176 that grants a county the ability to acknowledge the validation of a unit of land not lawfully established, where a building permit has been issued.

The definition of "lot of record" is amended to incorporate ORS 92.176, which addresses the validation of a unit of land not lawfully established, where a building permit has been issued. Based on ORS 92.176(2), a county may approve an application to validate a unit of land under this section if the county or city approved a permit, as defined in ORS 215.402 (Definitions for ORS 215.402 to 215.438 and 215.700 to 215.780) or 227.160 (Definitions for ORS 227.160 to 227.186), respectively, for the construction or placement of a dwelling or other building on the unit of land after the sale.

ORS 92.176(3) recognizes that a county or city may approve an application for a permit, as defined in ORS 215.402 (Definitions for ORS 215.402 to 215.438 and 215.700 to 215.780) or 227.160 (Definitions for ORS 227.160 to 227.186), respectively, or a permit under the applicable state or local building code for the continued use of a dwelling or other building on a unit of land that was not lawfully established if:

- a. The dwelling or other building was lawfully established prior to January 1, 2007; and,
- b. The permit does not change or intensify the use of the dwelling or other building.

Statewide Planning Goals

FINDING: Only two Statewide Planning Goals apply to this amendment, Goals 1 and 2, which are discussed below.

- **Goal 1, Citizen Involvement** is met through this adoption process because this amendment received a work session before the County Planning Commission, the County's citizen review board for land use matters, and a hearing before the Board.
- **Goal 2, Land Use Planning** is met because ORS 197.610 allows local governments to initiate post acknowledgments amendments. An Oregon Land Conservation and Development Department 35-day notice was initiated on October 7, 2016.¹

Comprehensive Plan

The text amendment is consistent with Deschutes County Comprehensive Plan. Section 1.3, Land Use Planning states:

- Goal 1 – Maintain an open and public land use process in which decisions are based on the objective evaluation of facts.
- Policy 1.33 – Involve the public when amending County Code

FINDING: This goal and policy is met because this amendment received a work session before the County Planning Commission, the County's citizen review board for land use matters, and a hearing before the Board. As noted above, the amendment incorporates provisions of State law, ORS 92.176 that grants a county the ability to acknowledge the validation of a unit of land not lawfully established, where a building permit has been issued.

¹ Staff alerted Scott Edelman, DLCDC Central Oregon Regional Representative on October 7, 2016 of the amendment recognizing that the 35-day notice is a few days short of the first evidentiary hearing with the Board, scheduled on October 31.
