Peter,

Thank you for sending me the revised documents. Although I didn't see any edits in blue (I assume you meant bold =)), the proposal is consistent with the discussion we had previously and, in my opinion, is consistent with the intent of the rule.

Scott,

Last night the Planning Commission conducted the hearing pertaining to Eagle Crest's text amendments. As you know, their proposal brings Eagle Resort into compliance with its overnight lodging requirements. Brent McLean, representing the applicant, provided language that further clarifies the Resort's compliance fee. See comment 2 in the first attachment. The edits are shown in blue in the second.

The Planning Commission asked that I share them with you to the extent you have any comments. If you do have comments, please provide them to me by October 9 at 5:00 p.m.

Thanks.
