AGREEMENT BETWEEN DESCHUTES COUNTY, OREGON
AND
DESCHUTES COUNTY SHERIFF EMPLOYEES ASSOCIATION

1. PREAMBLE AND SCOPE

- A. This Agreement is entered into this 1st day of July, 2013, by and between DESCHUTES COUNTY, a political subdivision of the State of Oregon, hereinafter referred to as "County", and the DESCHUTES COUNTY SHERIFF EMPLOYEES ASSOCIATION, hereinafter referred to as "Association" and shall be in effect through June 30, 2016.
- B. This Agreement shall apply to regular full-time and regular part-time (20 hours per week or more) Sheriff's Office personnel, including law enforcement, corrections, and clerical functions, excluding elected officials, supervisors, confidential employees, and volunteers.

2. RECOGNITION

- A. The County recognizes the Association as the sole and exclusive representative with respect to wages, hours and specified conditions of employment, for all regular full-time and part-time (20 hours per week or more), employees included in the bargaining unit, as set out below.
- B. The following job classifications are included in the bargaining unit.
 - (1) Deputy Sheriff
 - (2) Detective
 - (3) Corrections Deputy
 - (4) Office Assistant
 - (5) Civil Technician
 - (6) Evidence Technician
 - (7) Mechanic
 - (8) Electronics Technician
 - (9) Corrections Nurse
 - (10) Field Technician
 - (11) Corporal
 - (12) Corrections Classification Specialist
 - (13) Corrections Programs Specialist
 - (14) Corrections Technician

- C. The County, when exercising the right to create or combine positions, shall meet with the authorized representative of the Association for the purposes of determining if the position or positions should be included within the bargaining unit. If, after a meeting of the parties, a dispute remains concerning the appropriateness of inclusion or exclusion of a position, parties shall jointly petition the Employment Board for unit clarification.
- D. If the duties of any classification are substantially changed, or if a new classification is added into the bargaining unit, the following procedure shall apply:
 - 1. If the Sheriff forwards to the Association a proposed wage scale for the new or changed classification, the Association will then have the right to reopen the contract for the sole purpose of negotiating a wage for that classification.
 - 2. In the event the Association believes that the duties of an existing classification have been substantially changed or that a new classification has been added into the bargaining unit, but the Sheriff does not forward to the Association a proposed wage scale for the classification, the Association shall have the right to send a letter to the Sheriff asserting the right to reopen this Agreement for the sole purpose of negotiating a wage for the new or changed classification.
- E. If, after the procedures set forth in paragraph (1) or (2) above have been followed, the parties are unable to agree to the pay range, the question of the appropriate pay scale for the classification shall be submitted to arbitration pursuant to the grievance procedure in this Agreement. Negotiations under the above provisions shall last no longer than 30 days.

3. ASSOCIATION DUES AND FAIR SHARE PAYMENTS

- A. As a condition of employment, every employee within the bargaining unit must, commencing with employment either (1) become a member of the Association and sign and deliver to the County an authorization allowing the deduction of the Association's monthly dues from their pay; or (2) sign and deliver to the County an authorization allowing the County to deduct from their pay a fair share fee in lieu of dues.
- B. Notwithstanding the above, the Association expressly agrees that it will safeguard the rights of non-association employees based upon

bona fide religious tenets or teachings of a church or religious body of which such employee is a member. Such employee shall pay the monthly service fee referred to above to a non-religious charity mutually agreed upon by the employee making such payment and the Association, or in lieu thereof, the employee shall request that such monthly service fee payments not be deducted and shall make such payment to a charity as heretofore stated and shall furnish written proof to the Association and the County, when requested, that this has been done.

- C. The amounts to be deducted shall be certified to the County by the Treasurer of the Association, and the aggregate deductions of all employees shall be remitted to the Treasurer of the Association by the County not later than the 10th day of the following month after such deductions are made. The amount to be deducted by the County shall be determined in accordance with the provisions of the Association's constitution.
 - D. The County agrees to furnish the Association each month a listing of all bargaining unit employees covered by this Agreement.
 - E. The Association agrees that it will indemnify, defend and hold the County harmless from all suits, actions, proceedings or claims against the County or persons acting on behalf of the County, whether for damages, compensation, reinstatement, or any combination thereof, involving the application of this Section. In the event that any forum decides that any part of this Section is invalid and/or that reimbursement of the monthly service fee to non-members must be made to employees affected, the Association and its members shall be solely responsible for such reimbursement.
4. MANAGEMENT RIGHTS
- A. The County retains all the customary, usual and exclusive rights, decision-making, prerogatives, functions, and authority connected with or in any way incidental to its responsibility to manage the affairs of the County or any part of it. The rights of employees in the bargaining unit and the Association are limited to those specifically limited by the terms of this Agreement. The County shall have no obligation to bargain with the Association with respect to any such subjects or the exercise of its discretion and decision-making with regard thereto, any subjects covered by the terms of this Agreement and closed to further bargaining for the term hereof, and any subject which was or might have been raised in the course of collective bargaining except as provided in O.R.S. 243.

- (1) To determine the service to be rendered to the citizens of the County.
 - (2) To direct and supervise all operations, functions and policies of the department in which the employees in the bargaining unit are employed, and operations, functions and policies in the remainder of the County as they may affect employees in the bargaining unit.

 - (5) To establish, revise and implement standards for hiring, classification, promotion, quality of work, safety, materials, equipment, uniforms, appearance, methods, and procedures.
 - (6) To implement new, and to revise or discard, wholly or in part, old methods, procedures, materials, equipment, facilities and standards.
 - (7) To assign and distribute work.
 - (8) To contract or subcontract work which is not now performed by members of the bargaining unit. In the event the County decides to contract or subcontract work which is now performed by members of the bargaining unit, at the Association's option, the matter shall be submitted to the grievance procedure contained in this Collective Bargaining Agreement.
 - (9) To assign shifts, workdays, hours of work and work locations.

- (10) To designate and to assign all work duties.
- (11) To introduce new duties and to revise job classifications and duties within the unit.
- (12) To determine the need for and the qualification of new employees, transfers and promotions.
- (13) To discipline, suspend, demote or discharge an employee so long as such action is not arbitrary, in bad faith, or without just cause.
- (14) To determine the need for additional educational courses, training programs, on-the-job training and cross training and to assign employees to such duties for periods to be determined by the County.

5. EMPLOYEE RIGHTS

- A. Employees shall have the right to form, join and participate in the activities or matters of their own choosing, for the purpose of representation of matters of employee relations. Employees shall also have the right to refuse to join or participate in the activities of the Association. - B. The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, marital status, race, color, sex, creed, religion, national origin, physical or mental disability, union affiliation or political affiliation, except for bona fide job requirements.

6. NO STRIKES AND NO LOCKOUTS

- A. The Association and its members, as individuals or a group, will not initiate, cause, promote, permit, participate in or join in any strike, work stoppage, or slow-down, picketing or any other restrictions or work at any location. Employees in the bargaining unit, while acting in the course of their employment, shall not honor any picket line, except that such picket line may be honored if crossing the picket line would be unreasonably dangerous or hazardous to the employee.
- B. The County agrees that there will be no lockouts during the term of this Agreement.

- C. In the event of strike, work stoppage, slow-down, picketing, observance of a picket line, or other restriction of work in any form, either on the basis of individual choice or collective employee conduct, the Association will immediately use every good faith effort to secure an orderly return to work. This obligation and the obligation set forth above shall not be affected or limited by the subject matter involved in the dispute giving rise to the stoppage, or by whether such subject matter is or is not subject to the provisions of the Agreement.

7. ASSOCIATION BUSINESS

- A. Members of the bargaining unit elected to serve as authorized representatives of the Association shall perform their duties as representatives of the Association on their own time, except as provided in subsection B of this Section. - (1) The employment must not conflict with the employee's work.
 - (2) The employment must in no way be a discredit to the Sheriff, Sheriff's Office, or the County.
 - (3) The employment must in no way detract from the efficiency of the employee and their duties.
 - (4) In any situation where extra duty will be necessary in the employee's County work, such extra duty will take preference to the employee's outside employment.
 - (5) No employee shall perform any service or employment during County working hours for which he/she receives additional outside compensation.
- B. The Sheriff may withdraw authorization for any outside employment if the employee or employment violates any of the conditions set forth in Section A above.

10. SENIORITY AND LAYOFF

- A. Seniority, as used in this Agreement, is determined by the length of an employee's continuous full-time service with the Sheriff's Office. Part-time employees will not accrue seniority for full-time purposes (see Section G below). Any employee on leave which is not paid leave, or leave mandated by law, may accrue up to ninety (90) days seniority.
- B. The County will provide the Association with a copy of the seniority list upon request from the Association, which will then be posted on the bulletin board.

- E. Employees shall be recalled in the inverse order of layoff if positions become available in the job classification from which the employee was laid off. An employee's failure to respond to a recall notice as specified by Paragraph F of this Agreement, shall constitute a waiver of the employee's recall rights.
- F. For the purpose of recalling employees from layoff, the following procedures will be followed:
 - (1) For layoffs of less than five (5) days, a personal visit by the County representative or a phone call from the County will suffice.
 - (2) For layoffs of five (5) days to one month in duration, employees will have seven (7) days from the date that a certified notice is mailed to report to work unless a longer period is mutually agreed upon in writing.
 - (3) For layoffs longer than one month employees will have fourteen (14) days from the date that certified notice is mailed to report to work unless a longer period is mutually agreed upon in writing.
- G. Part-time employees have seniority for layoff/recall purposes, shift bidding and vacation bidding within the part-time classifications only.

11. HOURS OF WORK

- A. A normal workday is defined as a twenty-four (24) hour period commencing with the beginning of the employee's scheduled shift day.
- B. The regular shift hours of work each day shall be consecutive, and shall include a one-half (1/2) hour paid lunch period for deputies, detectives, corrections deputies, field law enforcement technicians and nurses. Corrections deputies may not leave their workstation during the lunch period, but each corrections deputy assigned to the jail shall be provided, at no cost to them, one (1) meal from the correctional facility kitchen during the assigned work shift.

- C. Employees may, at the sole discretion of the Sheriff, be assigned to work a 5-8 schedule, a 4-10 schedule or a 4-12 schedule. The Sheriff reserves the right to determine which schedule an employee will work. The normal work shifts and work periods for these schedules are defined as follows:

- (2) Assume all duties and be subject to the working conditions of other supervisors in the Department of similar rank for the duration of the temporary appointment.

In no event shall an employee accrue unused holiday and vacation credit in an amount greater than 360 hours, as determined above. No payment shall be made for holiday or vacation time lost by an employee because of accrual limitations, unless the failure to take vacation is caused by the County or the Sheriff's insistence that the employee be at work during their scheduled vacation.

- D. Vacation sign up shall be conducted annually during the month of January through the use of vacation bid sheets. There shall be separate vacation schedules for each division. Employees shall be permitted to request vacation on either a split or an entire basis. Vacation time shall be selected by team on the basis of seniority, subject to the reasonable operational needs of the Sheriff. Provided, however, each employee will be permitted to exercise their right of seniority only once annually for a two-week period of time taken as a block, or two one-week increments. After all employees have had the opportunity to exercise their seniority once for vacation purposes, all employees shall have the right to select their remaining vacation days by seniority, subject to the reasonable operational needs of the Sheriff. Seniority rights may be exercised through a maximum of three rounds. Confirmation of vacation times shall be posted by March 1. Once the seniority sign-up process is complete, requests for additional time off will be prioritized on the basis of first-come-first-served.

- E. In the event of separation from employment, the employee shall be entitled to payment for accrued unused vacation leave. In event of

death, earned but unused vacation leave shall be paid to the person or persons entitled to receive payment in accordance with state law.

- F. By the last Monday in October of each year, the Sheriff will notify the Association how much money is available for employees to cash out their vacation or holiday time. The employees will have one (1) week to sign up to request the County to buy back from them not more than 40 hours of compensable time. The County will buy out the employees, at their request, subject to money being available at the employee's current rate of pay. The hours sold will be included in the employee's November paycheck.

The County may require that the employee submit a certificate from a physician periodically during the period of such absence. Sick leave and vacation credits shall not be accumulated during the period of such absence.
- D. In the event that an employee needs to utilize their allowance of sick leave, that employee shall notify the on-duty supervisor of the pending absence prior to the beginning of their assigned shift. Such notification should be made at the earliest possible time prior to the commencement of the employee's work shift, and will include the nature or reason for the absence and the expected length of the absence, unless the employee is unable to do so because of the serious nature of the illness or injury. If a supervisor is unavailable, a message may be left at the main office.
- E. Unused sick leave credits shall be converted to retirement benefits to the extent allowed under the PERS system.
- F. When an injury occurs in the course of employment, and the employee has exhausted all pay provided in Article 25, the County's obligation to pay under the sick leave section is limited to the difference between any payment received under Workers' Compensation laws and the employee's net salary. An employee may elect not to receive such sick leave pay under this article. When an employee receives sick leave pay under this Article, pro-rata charges will be made against accrued sick leave.
- G. A physician's statement documenting an employee's illness may be required at the option of the Sheriff or their designee if an employee utilizes more than three (3) consecutive days of sick leave, or if the employee is demonstrating a pattern of sick leave abuse. Except as otherwise provided in this Agreement, no compensation for accrued sick leave shall be provided for any employee upon their death or termination of employment for whatever reason. Sick leave shall

not accrue during any period of leave of absence without pay. In the event of an employee's death in the line of duty, one-half of the employee's accumulated but unused sick leave shall be payable to the person or persons entitled to receive payment in accordance with state law.

25. WORKERS' COMPENSATION

Eligible hours are those that are regularly scheduled for the employee each month. Extensions beyond 575 hours accrued during a fiscal year may be granted by unanimous Board of County Commissioners, Sheriff and Risk Manager agreement. Any employee who has been granted such a leave of absence and who, for any reason, fails to return to work at the expiration of said leave of absence, shall be considered as

32. UNIFORMS AND EQUIPMENT

34. GRIEVANCE PROCEDURE

- A. A grievance for the purpose of this Agreement is defined as a dispute regarding the alleged violation of this Agreement.
- B. A day is defined as a calendar day.
- C. In an effort to provide for resolution of disputes, the parties agree to the following procedures:

Step I: Any employee claiming a breach of any specific provision of this Agreement may refer the matter, in writing, to their immediate supervisor outside the bargaining unit within fourteen (14) days from the occurrence thereof, or the employee's knowledge of the facts thereof. The grievance shall, at minimum, specify the article and section of the contract alleged to have been violated and the requested remedy. The employee shall provide a copy of the written grievance to the Association. The supervisor shall respond to the grievance in writing as quickly as possible, but no later than fourteen (14) working days after the grievance is filed.

Step II: If, after fourteen (14) days from the date of the filing of the grievance with the supervisor, the grievance remains unadjusted, the grievance may be submitted within fourteen (14) days to the Sheriff, along with a written statement as to why the supervisor's Step I response does not adequately resolve the grievance. The Sheriff shall meet with the aggrieved party, who may request an Association representative at the meeting. The meeting between the Sheriff and the aggrieved party shall be within fourteen (14) days of the Sheriff's receipt of the written grievance. The Sheriff shall respond to the grievance in writing within fourteen (14) days of such meeting. Neither party's Step II written statements or responses shall be introduced into evidence in a subsequent arbitration hearing on the

grievance for the purpose of limiting any legal theory which either party may introduce under the facts.

- Step III: If the Grievance is not resolved within twenty (20) days from the submission of the grievance to the Sheriff, the Association will have fourteen (14) days to serve notice, in writing, to the Sheriff of its intent to submit the grievance to final and binding arbitration. The arbitrator shall be selected by mutual agreement of the parties. If the parties cannot agree on an arbitrator within fourteen (14) days of submitting the grievance to arbitration, the arbitrator shall be chosen in the following manner:
- a. Either party may request a list of five (5) names of arbitrators from the Oregon State Conciliation Service. Within five (5) days of the receipt of the list, the parties shall alternately strike names from the list until one name remains, and the remaining person on the list after the strikes have been completed shall serve as the arbitrator. The party striking the first name shall be determined by a coin flip.
 - b. The arbitrator shall hold a hearing promptly and shall issue a decision within thirty (30) days of the hearing. The arbitrator's decision shall be in writing and shall set forth findings of fact, reasoning, and conclusions of the issues submitted. The powers of the arbitrator shall be limited to determining if the Agreement has been violated; he/she shall have no authority to alter, modify, vacate or amend any of the terms of the Agreement.
 - c. The cost of the arbitrator and court report (if the court reporter is requested by both parties) shall be borne by the losing party. Each party shall be responsible for costs of presenting its own case to arbitration. Any time limits specified in the grievance procedure may be waived by mutual consent of the parties. Failure to submit the grievance in accordance with these time limits without such a waiver shall constitute abandonment of the grievance. Failure by the County to submit a reply after knowledge of the grievance by the party responsible for the reply within the specified time will move the grievance to the next step in the grievance procedure. A grievance may be terminated at any time upon receipt of a signed statement from the Association.

- d. Each party shall be responsible for compensating its own representative and witnesses at any step of this procedure.
- e. A grievant exercising their rights to pursue a grievance through this procedure may do so without discrimination and without loss of pay if meetings or conferences as called for herein occur during the employee's regularly assigned duty time.
- f. To the extent allowable by law, all information relative to a grievance and resolution accomplished via the grievance procedure shall be considered exempt from public disclosure in an effort to assure confidentiality to the employee.
- g. If the parties agree in writing, Steps I, and II, may be waived.

A. Disciplinary actions include the following:

- (1) Oral reprimand
- (2) Written reprimand
- (3) Suspension
- (4) Demotion
- (5) Discharge

B. Discipline may be imposed only for just cause. Conduct reflecting discredit upon the Sheriff's Office, or which is a hindrance to the effective performance of County functions, shall be considered reason for disciplinary action. Such reason may include, but not be limited to, misconduct, inefficiency, incompetence, insubordination, misfeasance, malfeasance, the willful giving of false information, or the withholding of information, and violation of Departmental rules. Disciplinary action need not be progressive, but shall be appropriate for the nature of the offense committed. Oral reprimands imposed upon an employee shall not be subject to the grievance procedures of this Agreement. If there is reason to discipline an employee, the person imposing the discipline shall make reasonable efforts to do so in a manner that will not embarrass or humiliate the employee before other employees or the public.

- C. New hire probationary employees shall serve at the discretion of the Sheriff.
- D. If the Sheriff determines that there is just cause for discharge of a regular employee, the employee shall be suspended with pay for a minimum of five (5) calendar days, and the Sheriff shall deliver to the employee a written notice of such suspension and pending dismissal. Such notice shall specify the principal reason for the action. Unless otherwise resolved the dismissal shall become effective at the end of the period of suspension. Upon receipt of such written notice, the employee shall be given an opportunity to meet with the Sheriff and respond to the suspension and pending dismissal. Any discharge shall not be effective until an opportunity for such a meeting has been given the employee.
- E. An Association representative shall be allowed to be present, at an employee's request, at any meeting between the employee and any investigating officer, or superior officer, in which the employee reasonably believes that discipline may result from the meeting and/or investigation.
- F. An Association representative shall be allowed to be present at an employee's request at a meeting of a review board where the employee has received written charges brought by the Sheriff or others in which the employee is required to appear.
- G. No bargaining unit member shall be placed in a position of imposing written disciplinary action against another bargaining unit employee. This provision shall not apply to those bargaining unit members acting in the capacity of a Sergeant.
- H. The employee is entitled to a complete copy of the investigative report prior to any pre-disciplinary hearing.

36. PROBATIONARY PERIOD

- A. Every new employee shall serve a probationary period of eighteen (18) consecutive months. Once the employee has successfully completed the probationary period, and received a satisfactory evaluation, he/she shall be considered a regular employee and granted seniority retroactive to the date of hire.
- B. Probationary employees may be discharged at the discretion of the Sheriff during the probationary period.

- C. Employees promoted into a higher classification shall serve a promotional probationary period of twelve (12) months. The Sheriff may return an employee on probationary promotional status to his or her former position, provided the employee held permanent status in the former position and the employee's former position is available. In the absence of the availability of the former position, the Sheriff may lay off an employee on promotional probationary status. If the employee is still qualified to fulfill the requirements for their former position, the Sheriff will make available to the employee the next open position in the employee's former classification.

37. DRUG AND ALCOHOL POLICY

The Deschutes County Sheriff's Office drug and alcohol policy is applicable to all employees of the agency. Any policy will have the approval of Sheriff's management and Association before becoming effective.

38. GRIEVANCE COMMITTEE

- A. The Sheriff shall meet at mutually convenient times with the Association Grievance Committee, if such a committee exists. The Grievance Committee meetings with the Sheriff shall be held, if practicable, at times not to interfere with the Committee members' regular work period. The Association Grievance Committee shall consist of two members selected by the Association.
- B. The purpose of the Grievance Committee will be to adjust pending grievances and to discuss procedures for avoiding future grievances. In addition, the Committee may discuss with the Sheriff other issues which would improve relationships between the parties. Prior notice of topics for discussion at such meetings shall be furnished by each party to the other.

39. ASSOCIATION REPRESENTATIVE

Employees selected by the Association to act as Association Representatives shall be known as Association Representatives. The names of the employees selected as Association Representatives and the names of local Association Representatives who may represent employees shall be certified in writing to the Sheriff by the Association. Duties required by the Association Representatives, excepting attendance at meetings with the Sheriff, supervisory personnel and aggrieved employees arising out of a grievance already initiated by an employee, shall not interfere with their or other employees' regular work assignment as employees of the County. Contacts between Association

Representatives and employees, except the aforementioned meetings, shall be made outside working hours.

40. PERSONNEL FILE

All of an employee's personnel files will be available for the employee's inspection during normal working hours. Should an employee desire a copy of any items in the files, such a copy shall be provided to the employee provided the employee signs a receipt for the copy. The employee has the right to respond in writing to any item placed in the files. The County will maintain the confidentiality of the files as per State law, and will not release any information in the files to other than those authorized within the Sheriff's office without the consent of the affected employee except where such release is compelled by either an order of a court or by State law.

41. RULES

The parties jointly recognize that as elected officials, the County Commissioners and the Sheriff of Deschutes County are directly responsible to the citizens of the County and the public generally for the performance of the functions and services performed by the County, and the Sheriff's Office, in particular. These responsibilities cannot be delegated, nor be the subject of a collective bargaining agreement. For this reason, it is jointly recognized that the County Commissioners and the Sheriff must retain a broad authority to fulfill and implement their responsibilities and may do so by work rule, oral or written, existing or future. It is agreed, however, that no work rules will be promulgated or implemented which are inconsistent with a specific provision of this Agreement, provided, that the requirements of Oregon law will always be paramount. All work rules which have been or shall be reduced to writing, will be furnished to the Association.

42. FUNDING

- A. The parties recognize that revenue needed to fund the wages and benefits provided by the Agreement must be approved annually by established procedures, and in certain circumstances by vote of the citizens of Deschutes County. The level of employment within the bargaining unit is, therefore, contingent upon sources of revenue, and, where applicable, annual voter budget approval.
- B. The County has no intention of reducing the level of employment within the bargaining unit because of budgetary limitations, but cannot and does not guarantee any level of employment in the bargaining unit covered by this Agreement.

- C. In the event of budgetary limitations as determined by the County, the County shall have the right to reduce the level of employment within the bargaining unit in accordance with the layoff provisions of this Agreement. At the option of the County, the Sheriff may present an option to such a layoff to the Association, which option may include a reduction in wages or benefits currently being received by members of the bargaining unit. The Association, upon receipt of such option from the Sheriff, shall conduct a vote among its members as to whether to accept or reject the Sheriff's proposed option to a layoff. If the Association members accept the option proposed by the Sheriff, then the option shall be implemented by the County in lieu of a layoff. If the Association rejects the option proposed by the Sheriff, then the Sheriff has no authority to cut the level of wages or benefits provided by this Agreement.
- D. The County agrees to include in its annual budget request amount sufficient to fund the wages and benefits provided by this Agreement, but makes no guarantee as to the passage of such budget requests or voter approval thereof.

43. TRANSFERS

Employees shall be eligible to apply for any job openings in the Department for which they meet the minimum entry requirements for the job. The Sheriff shall consider such applications on the same basis as applications from non-Departmental employees.

44. SAVINGS CLAUSE

Should any section, paragraph or portion thereof of this Agreement be held unlawful and unenforceable by a court of competent jurisdiction, or any administrative agency having jurisdiction over the subject matter, such decision shall apply only to the specific section, paragraph or portion thereof directly specified in the decision and shall not affect any of the other provisions of this agreement which shall remain in full force and effect. Upon the issuance of any such decision, the parties agree immediately to enter into negotiations for a substitute, if possible, for the invalidated section, paragraph or portion thereof.

45. COMPLETE AGREEMENT

This document is the complete agreement between the parties. By acceptance of this Agreement, the parties agree that the statements contained herein are each party's agreements and representations and that this Agreement embodies all agreements existing between the

parties. It is further agreed that any issue not covered by the written Agreement is not a subject of the Agreement, regardless of whether such a subject was a proposal or demand of either party. The County agrees to bargain those changes which constitute or impact mandatory subjects of bargaining pursuant to ORS. Chapter 243.

46. DURATION

- A. This Agreement shall be effective July 1, 2013. This Agreement shall remain in full force and effect through June 30, 2016, when it expires at Midnight on that date. After June 30, 2016, this Agreement shall be automatically renewed from year to year, unless either the County or the Association gives written notice to the other not later than November 1 prior to the aforesaid expiration date of this Agreement of its desire to modify the Agreement.
- B. This Agreement will remain in full force and effect during all periods of negotiations.
