Subject: Contract for Solar Drive Bridge Emergency Repair

Tammy Baney  
Anthony DeBone  
Phil Henderson

### NOTICE OF EMERGENCY CONTRACT AWARD

On November 7, 2018, Deschutes County Road Department staff observed that the condition of the timber retaining walls supporting the Solar Drive Bridge had significantly deteriorated in recent weeks. The County Engineer has determined that the current condition of the walls creates a substantial risk of damage to the bridge and, consequently, an immediate threat to public safety. Pursuant to Oregon Revised Statutes (ORS) 279B.080 and Deschutes County Code (DCC) 2.37.090, the County Administrator, acting as the County Purchasing Agent, has determined that an emergency condition exists which requires prompt execution of a contract to repair the structure and, accordingly, that the contract is exempt from competitive bidding requirements.

As required by ORS 279B.080 and DCC 2.37.090, this Notice of Emergency Contract Award shall serve as documentation of the County Purchasing Agent's decision to appoint a contract for the repair work to Marcum and Sons, LLC ("Contractor") in the amount of One Hundred Ten Thousand Dollars (\$110,000.00) on or before November 21, 2018. This Contractor was selected based on the following findings:

- The Contractor is experienced with and qualified to perform bridge work.
- The Contractor has equipment and materials in close proximity to the project site that can be quickly mobilized.
- The Contractor has demonstrated acceptable performance on recent County public improvement projects.

If you have any questions regarding this Notice or the procedures under which the County is proceeding, please contact Deschutes County Legal Counsel: telephone (541) 388-6625; FAX (541) 383-0496; or e-mail to [david.doyle@deschutes.org](mailto:david.doyle@deschutes.org).

Sincerely,

Tom Anderson  
County Administrator
