**EXHIBIT 6
 DESCHUTES COUNTY SERVICES CONTRACT
 Contract No. 2022-082
Authorization for Additional Orders**

It is intended that this contract be available to other public agencies in the region in accordance with the requirements of ORS 279A.215(g). Deschutes County hereby concurs with such usage of this contract. Bidder shall specify below whether it will accept purchase orders for this product from other public agencies within Deschutes County and neighboring counties at the same price, allowing only for changes in price due to changes in Specifications.

CONTRACT AUTHORIZATION FOR OREGON STATE AGENCIES AND/OR POLITICAL SUBDIVISIONS

ITEM NO.	ITEM	UNIT PRICE	UNITS
1.	Durable Ultra High Build, High Performance Waterborne Traffic Line Paint (100% Latex Polymer Emulsion) – YELLOW	\$	Gallons
2.	Durable Ultra High Build, High Performance Waterborne Traffic Line Paint (100% Latex Polymer Emulsion) – WHITE	\$	Gallons

Plant Location (city):

Oregon State Agencies and/or Political Subdivisions within and adjacent to Deschutes County, and Polk County are hereby authorized to use the quoted price received on this request to purchase materials at the same price structure as described above in accordance with ORS 279A.215(g). Freight rates for product delivery to additional agency's may be negotiated separately from this contract. Freight based on place and time of delivery.

Authorized Signature:	
Date:	

00850.80 Measurement – The quantities of Waterborne Traffic Line Paint will be measured on the volume basis, in-place, per Gallon, in the Polyethylene Containers. In-place measure will be the measured and calculated maximum "water level" capacity of the containers. Quantities will be determined at the point of delivery, with no allowance for settlement of Material during transit. When required to facilitate measurement, the vehicle load shall be leveled at the point of delivery. Payment will not be made for Material in excess of the maximum "water level" capacity. Deductions will be made for loads below the maximum "water level" capacity.

Payment

00850.90 Payment – The accepted quantities of Work performed under this Section will be paid for at the Contract unit price, per unit of measurement, for the following items:

Pay Item	Unit of Measurement
(a) Durable Ultra High Build, High Performance Waterborne Traffic Line Paint (100% Latex Polymer Emulsion).....	Gallons

Payment will be payment in full for furnishing and delivering all Materials, and for furnishing all Equipment, labor, and Incidentals necessary to complete the Work as specified.
